Official Diary

Talked to Colonel Hansen about our policy in regard to newspapermen. Colonel Hansen believes that we should possibly give them some operational data on which to base a story. I told Colonel Hansen that I felt strongly that we should stick to the old party line, ~~stories on~~ overt missions and omit any mention of covert activities. ^{stress out}

Meeting with [] in regard to travel by Board and Staff Members of ONE. Also discussed handling of service personnel on the staff.
